

REMARKS

Please note that the Notice of Allowability, Form PTO-37, indicates that corrected drawings are required as indicated in the Office Action of June 21, 2001 (Paper No. 4); however, claim 7 was canceled in response to said Office Action thereby negating the need for corrected drawings.

In the Examiner's Amendment of July 8, 2003, the title was amended to delete "AND METHODS;" however, the Part B - Fee(s) Transmittal, Form PTOL-85, does not reflect the Examiner's amendment to the title.

This amendment corrects errors in the text and drawings. Entry is respectfully solicited.

This amendment is submitted prior to or concurrently with the payment of the issue fee and, therefore, no petition or fee is required. No new matter has been added.

Respectfully submitted,

Brick G. Power

IN THE DRAWINGS:

The attached sheet of drawings includes a change to FIG. 5b. This sheet, which includes FIGS. 5a, 5b and 6, replaces the original sheet including FIGS. 5a, 5b and 6.

Specifically, FIG. 5b has been revised to change the reference numeral "50" to --50-- to eliminate redundancy with previously used reference numerals. No new matter has been added.
